The form you have attempted to open has time limitation.

Now you must enable access to your laptop camera to eliminate any forms of malpractice. Press this button below to provide access to your camera.

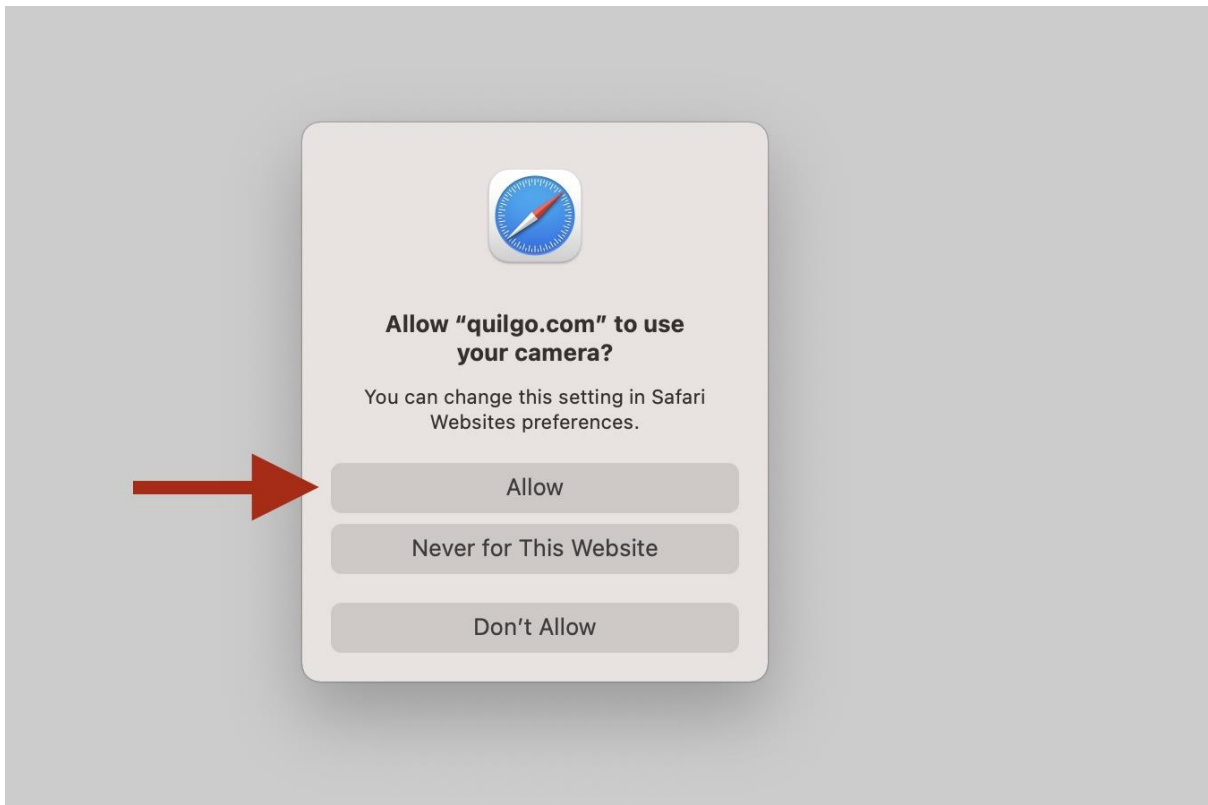

Camera & Screen tracking is enabled for this form

The owner of this form has enabled the camera and screen tracking feature. Here is how it works:

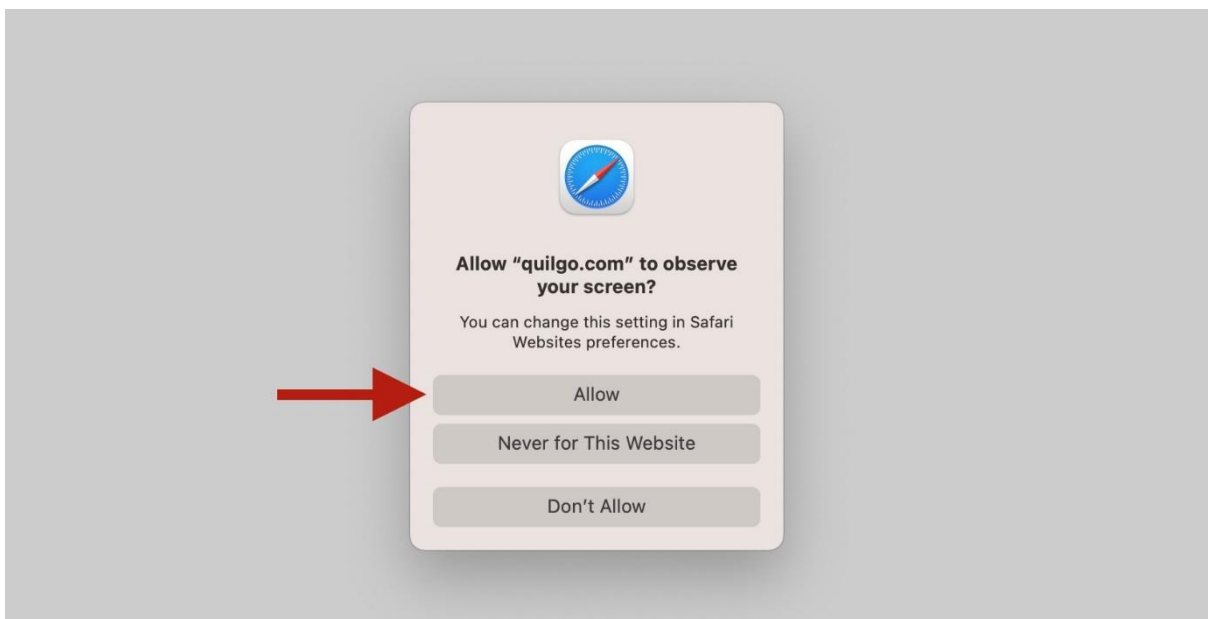

- You will need to provide access to your camera and screen;
- Snapshots from your camera and screen will be taken while filling the form;
- The snapshots will be sent to Quilgo, processed and stored;
- The form sender will be provided with a report which may include the snapshots;
- Only the form sender will have access to the reports and the snapshots;

If you are using a MacBook, this prompt will show up on the screen. You must select "Allow" when this prompt shows up.

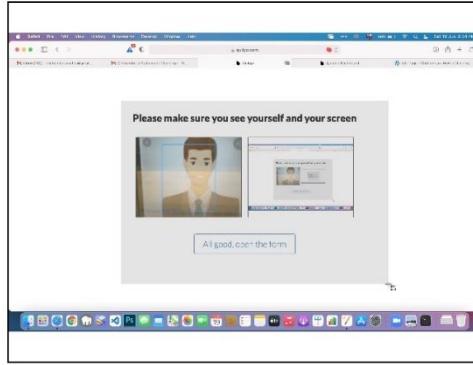

Now select "Provide access to screen" to allow us to monitor your screen during the examination.

If you are on a MacBook, please select "Allow" when this prompt shows up.

Make sure you are ready to start the exam and your camera and screen monitoring is working. Once you know it is all working, please start the exam.

Please make sure you see yourself and your screen

All good, open the form

When you begin the exam, the timer will show up on the top of your screen, make sure to keep track of time whilst doing the exam. Good Luck!
